***Donate to help fund our operations and programs!***

## Our Commitment to Digital Equity

Cascade STEAM Programs are “Free. Open to everyone. All are welcome. Family friendly. Bring your friends!” on purpose: We keep participation free “for all people of all ages” as a commitment to Digital Equity.

## We are Community Supported

Cascade STEAM is community supported - we are NOT a member organization with member dues. If you value our work and have the financial means to support us, then please donate! Your donation will help fund our operations and programs, and allow us to manage our own small grants for community projects. Any donation amount is appreciated. As Cascade STEAM is a 501(c)(3) nonprofit organization your donation is tax deductible.

Our primary donation payment option is PayPal. Additional options include Cash, Check, PayPal Giving Fund, and Venmo.

### Donate with PayPal

Check may be made payable to “Cascade STEAM” with “Donation” memo and mailed to “104 W. Magnolia St #2551, Bellingham, WA 98225”. Cash, Check, and PayPal Giving Fund provide the full amount of your donation. PayPal Giving Fund may take up to 45 days to process. PayPal and Venmo charge a discounted processing fee for nonprofits. PayPal provides a mechanism for you to optionally cover this fee. PayPal also provides a subscription option for you to automatically donate monthly or yearly.

**As always: THANK YOU FOR YOUR SUPPORT!**
