Cascade STEAM

What We Do

Our programs are: Free. Open to everyone. All are welcome. Family friendly. Bring your friends!

About Us

Cascade STEAM is a new 501(c)(3) nonprofit organization dedicated to improving STEAM Education, Career Connected Learning, Digital Literacy, and Digital Equity for all people of all ages.

STEAM is an acronym for the fields of Science, Technology, Engineering, Arts, and Mathematics. STEAM education is a powerful framework to promote curiosity and creativity, encourage a shared learning experience, and build tools to solve important life challenges. We advocate through development and promotion of events, activities, and programs, and invite collaboration with community partners in shared purpose.

Our Mission

Develop and Promote STEAM Education, Career Connected Learning, Digital Literacy, and Digital Equity for all people of all ages.

Our Programs

Our efforts are organized into programs, each of which is rooted in education, shared learning experiences, building relationships, and positive community impact, including:

- **Community Groups**: Organizing communities of aspiring, current, and retired professionals focusing on a STEAM topic.
- **Community Projects**: Shared learning experiences focusing on positive community impact, often collaborating with community partners.
- **Mentorship**: Connecting students and professionals, junior and senior professionals, and/or peers for organized and supportive personal and professional improvement.
- **Internship**: Supporting students through internship and benefitting local nonprofit community partners through the execution of student projects.
- **Workshops**: Instructor-led events and activities focusing on an educational topic.
- **Group Projects**: Shared learning experiences focusing on an educational topic.
- **Volunteers**: Organizing the volunteer needs of both Cascade STEAM programs and facilitating the STEAM-related needs of community partners.
- **Digital Navigators**: Providing basic technology support to the community, focusing on community service and supporting social service providers.
